

ASICS WINDERMERE MARATHON

ROAD SAFETY MEASURES SUNDAY 22nd May 2022

B5286 Full Closure of both lanes 1000-1200hrs

Start: Junction A593 at Clappersgate
To: Junction with B5285 at Hawkshead Hall.
There will be a phased re-opening starting at 1130hrs from the junction with the B5285 at Hawkshead Farm

The ASICS Marathon has a mass start at 1030hrs and runners will run anti-clockwise around the lake

B5285 /A593 at Clappersgate Approx: 1100 - 1600hrs

Traffic Controls in place at junction.
EXPECT DELAYS

B5285 Temporary road closure 1000 – 1130hrs

Temporary road closure on B5285 from B5286 at Hawkshead Hall to northern entrance to village, total 500 metres. **Single lane convoy system in operation**
EXPECT DELAYS

U5574 (Hawkshead Main Street) Temporary Road Closure 1030-1215hrs

Route exits the village onto the C5026. Carpark will remain open but Western exit/entrance onto the U5574 will be closed.

C5026 Temporary Road Closure Approx 1030 – 1215hrs

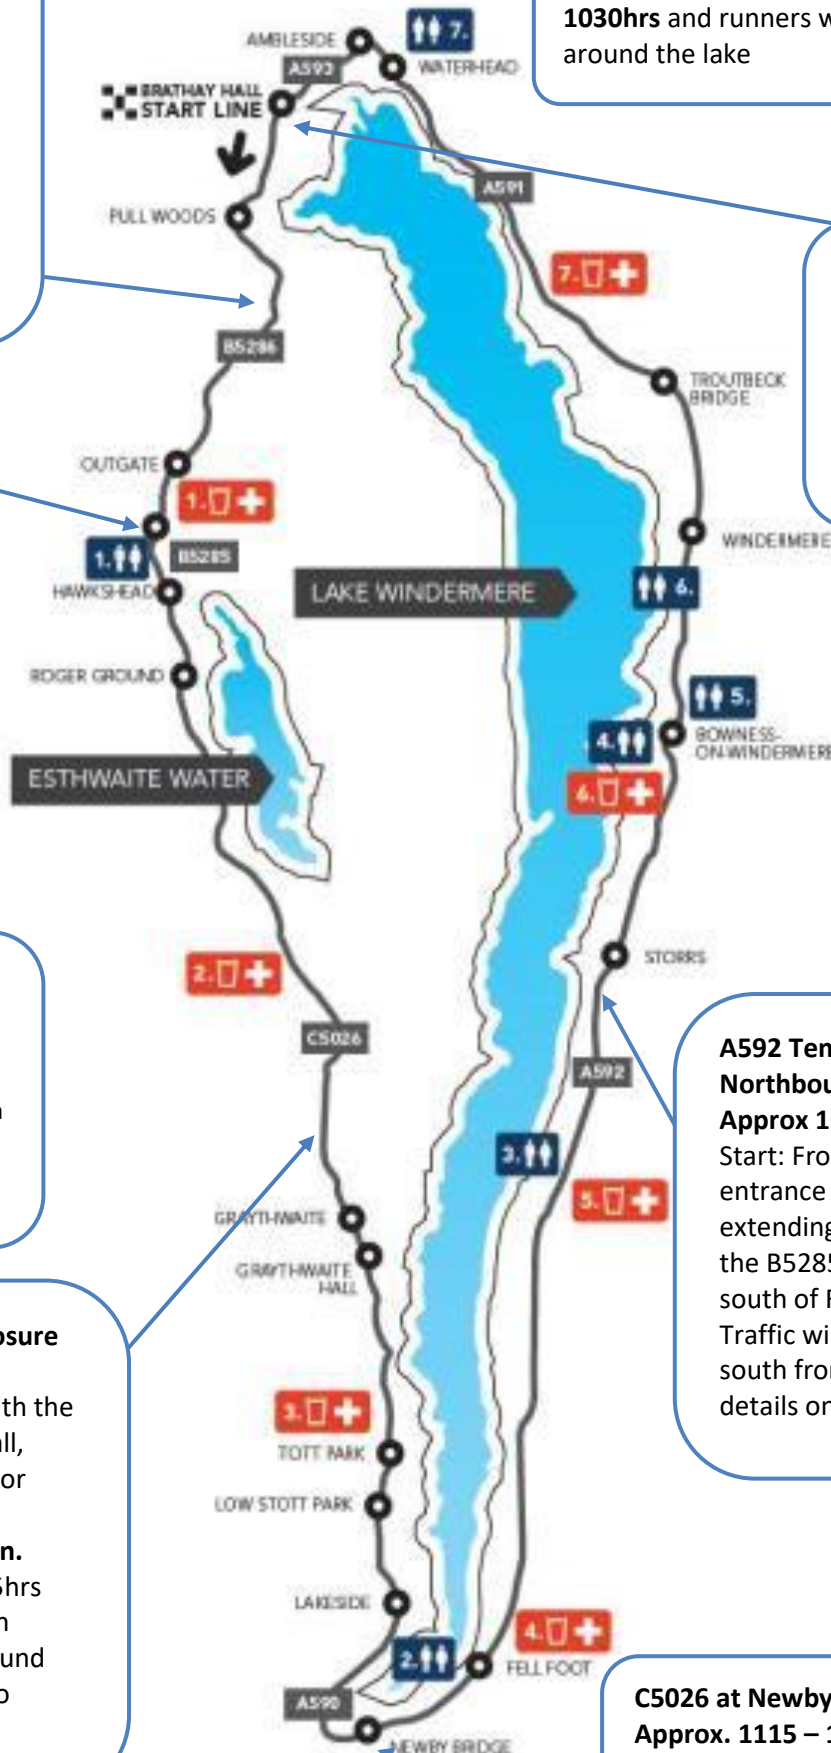

C5026 between junction with the B5285, and Graythwaite Hall, about 6.8 km. Travel north or south possible via Sawrey. **Convoy system in operation.** Approximately 1030 – 1215hrs between the Bowling Green junction and the Roger Ground junction to allow vehicles to access Grizedale.

A592 Temporary Closure of Northbound lane

Approx 1000 – 1600hrs
Start: From just beyond the entrance to Fell Foot Park extending to the junction with the B5285 Long Tail hill just south of Ferry Nab junction. Traffic will be able to travel south from Bowness. Further details on page 2.

C5026 at Newby Bridge

Approx. 1115 – 1345hrs
Traffic Controls at Bridge over Haverthwaite Railway and the Bridge over River Leven

ASICS WINDERMERE MARATHON

ROAD SAFETY MEASURES SUNDAY 22nd May 2022

The Brathay Trust organise the ASICS Windermere Marathon. We are anticipating around 700 runners taking part in the 26.2 mile marathon around the lake. **The marathon has a mass start that will set off at 1030hrs on 22nd May.**

The race HQ is at Brathay Hall and the event starts on the B5286 outside Brathay, heading around the lake in an anti-clockwise direction before finishing back on the Brathay Hall front lawn. Wherever possible we have planned 'impact reduction' measures to minimise the disruption to local businesses and residents. Road Safety Measures will be in place around the route to protect both the runners and the public:

1000 – 1200hrs B5286 Temporary Closure

The road closure will start at the Clappersgate junction with A593 extending to junction of B5286/B5285 at Hawkshead Hall. Vehicles will be able to access Hawkshead on the B5285 via Coniston. Whilst legally closed until 1200hrs there will be a phased reopening from 1130hrs of the B5286 from its junction with the B5285 at Hawkshead farm.

1000 – 1130hrs B5285 Temporary Closure

There will be a road closure on the B5285 from the junction with the B5286 at Hawkshead Hall to the northern entrance to Hawkshead Village, a total of around 500 metres. Vehicles will still be able to travel in both directions via a convoy system, but you should expect delays.

1030 – 1215hrs Temporary Closure U5574 by Hawkshead Village Southern car park

The marathon route exits Hawkshead village onto the C5026. The carpark immediately on the left of the route will remain open to the public. To prevent vehicles exiting from the carpark onto the route leading south to the C5026, the western exit/entrance onto the U5574 will be closed. The carparks will remain open. Access and egress will be too and from the B5285.

1030-1215hrs Temporary closure of the C5026 from the junction with the B5285 to junction at Graythwaite Hall

All Emergency vehicle access to premises adjoining this section will be maintained. Routes leading onto the C5026 will have barriers. Travel between Hawkshead and Newby Bridge will be easiest via Sawrey.

After the main body of runners exits the village and heads south, we will operate a convoy system between B5286 at Hawkshead and the junction at Roger Ground allowing vehicles to travel between Grizedale and Hawkshead.

1115 – 1345hrs C5026 Open at Newby Bridge but with traffic controls

At the bridge over the Haverthwaite Railway, whilst runners are passing, line Traffic Management staff will control single lane travel over the bridge.

1000 – 1600hrs Temporary Closure of A592 NORTHBOUND

From just north the Fell Foot Park entrance and extending to the junction with the B5285 at Long Tail Hill (just south of the Ferry Nab junction) there will be a signed DIVERSION via the A590, A5074 and B5284. Southbound traffic will be unaffected. Traffic Control signage will be in place throughout.

B5286/A593 Junction to entrance to Brathay Hall will be open but have traffic controls 11.00 – 16.00.
